PDW

2015 Collection Vol.1

General Business Activities: PDW Australia was established in 2006 as an Alloy wheel Importer & distributor, supplying fashionable alloy wheels to the Australian motorists through major Tyre & Wheel retailers.

Company Strategy

Purpose: To be a leader in the Aftermarket Alloy wheel industry by providing latest designs, exceptional service and a high quality product.

Vision: To provide a quality product that exceeds the expectations of our customers.

Mission statement: To build long term relationships with our customers and clients and provide exceptional designs by pursuing business through innovation and advanced technology. We also aim to provide growth and opportunities for our employees.

Core values: We believe in treating our customers with respect & we grow through creativity, invention and innovation. We integrate honesty, integrity and business ethics into all aspects of our business functioning.

Goals: National expansion and market penetration in the field of Alloy wheels and develop a strong base of key customers. To build a great brand and become a key player &/or leader in the industry. We want the PDW brand to be "Australia's preferred Alloy wheel brand."

PRESIDENTS STATEMENT

From a very young age, I have always had a love and passion for cars and fashion.
I travel the world in search of the latest and innovative trends in alloy wheels.
Today I am proud to showcase my 2015 Alloy Wheel Collection.

Each and every PDW alloy wheel is subjected to the highest standards in manufacture, finish, testing and quality control. All PDW wheels are manufactured to JWL & VIA standard.

Everyone at PDW takes a great deal of pride, in developing and delivering a high quality product available on the market today.

These high standards allow us to provide a lifetime structural warranty.

Today, the PDW brand is sold and distributed to over 55 countries throughout the world.

Finally, I would like to thank, my dedicated team, my Global distributors and most of all, you, my customer/end user of my product.

PDW.....Where passion drives design

LIMITED WARRANTY

PDW warrants to the original purchaser that its wheels will be free of any defects in material and workmanship for a period of two (2) years after the date of original purchase. Warranty is only valid when wheels are properly installed, washed and limited to use on normal road and highway driving conditions.
PDW agrees (at its discretion) to repair or replace any wheel found to be faulty in materials or workmanship after inspection. (For a period of two (2) years from date of original purchase to the original purchaser). Original purchase invoice must be supplied.
PDW will not be held responsible for the transportation cost, any damage or loss caused by delays, failure or any consequential damage arising from any cause what so ever or any other charges incurred in the replacement of a defective product.
Warranty is automatically void on any wheel that has been altered in any manner, such as bolt circle diameter, offset, centre bore or any of the following conditions:

1. Wash damage, chemicals, caustic cleaning agents, degreaser and climate conditions.
2. Any appearance defect (scratches) in wheels that have been damaged during mounting or which have been on display.
3. Any defect, malfunction or failure caused by shipping, transporting, off-road use, abuse, accident or negligence caused by any involved party.

Any PDW Wheel that does not conform to this warranty will be repaired or replaced after a Return Authorisation Number (RAN#) has been obtained by contacting your PDW importer/distributor and a dated satisfactory proof of purchase included with the freight prepaid to our facility. Such repair or replacement shall not include removal of installation of any tyre. A PDW representative will review all warranty returns. If returned wheel is found not to be subject to warranty coverage, the wheel will be returned to the sender, without repair or replacement, at the sender's expense.
THIS LIMITED WARRANTY IS THE SOLE EXPRESS WARRANTY GIVEN BY PDW AND IS IN LIEU FOR ALL OTHER EXPRESS WARRANTIES, WHETHER ORAL OR WRITTEN. ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, LIABILITY FOR SPECIAL, INCIDENTIAL OR CONSEQEUNTIAL DAMAGES.
BEFORE MOUNTING THE TYRE, MAKE SURE YOU HAVE FOLLOWED THIS CHECKLIST. (FAILURE TO FOLLOW THESE STEPS WILL VOID ANY WARRANTY/RETURN THAT MAY BE APPLICABLE).

1. Check that the product, colour, bolt pattern (PCD) and fitment is correct. (As per order).
2. Check for protrusions on the hub mounting face. Ensure that wheels are clear of any screws, rivets, retaining clips or balancing weights.
3. The wheels do not come in contact with any of the front or rear hubs, brake callipers, braking or suspension components of the vehicle.
4. Check that the correct hub rings and nuts (if applicable) will be used for the specific vehicle application.

WARNING!
MAKE SURE YOU HAVE THE NUTS/STUDS RETORQUED AFTER 60 MILES/100 KLMS OF USE. FAILIURE TO RETORQUE COULD CAUSE SERIOUS ACCIDENT RESULTING IN INJURY. RETORQUING MUST BE DONE ANY TIME THE WHEEL NUTS/STUDS ARE REMOVED FOR ANY REASON.
WARNING!
IF AT ANY TIME YOU HIT A HARD OBJECT (CURB, POTHOLE, ETC), OR HAVE AN ACCIDENT AND HAVE VISUAL DAMAGE, ALWAYS HAVE YOUR WHEELS INSPECTED FOR A FRACTURE. IF FRACTURE IS FOUND, REPLACE THE WHEEL IMMEDIATELY.
